

Atomic Energy Authority Act No. 19 of 1969**Application for Authorization for Custom Clearance****1. Details of the Applicant:**

- a) Name :
- b) Institute :
- c) Address :
- d) Telephone/ Fax :

2. Details of the Manufacturer, Foreign Supplier of Radioactive Sources / Material:

- a) Name of company :
- b) Name of the contact person: :
- c) Country :
- d) Address :
- e) Telephone / Fax :

3. Details of local agent:

- a) Name of the company :
- b) Name of the contact person :
- c) Address :
- d) Telephone/ Fax :

4. Purposes for which the Radioactive Materials / Equipments are imported:

.....

.....

5. Details of Radioactive material / Sources to be imported :

Chemical Name	Physical Form*	Activity (Ci/mCi/Bq/MBq)	Source Serial Nos.

* Solid / liquid / gas /sealed source / unsealed source

6. Details of equipment in which radioactive material is used :

Name of the equipment	Model No.	Serial No.	Manufacturer

7. List the places where these radioactive materials are used:

No.	Place	Name of Material	Quantity	Duration of Use
1				
2				
3				
4				

8. List licence Nos. of each user as given in the licence issued by the Atomic Energy Authority :

1. 2.
3. 4.

9. (a) If the sources to be imported are already available, explain why the sources already available cannot be used for the intended purpose. (Applicable for long lived sealed & unsealed sources: ie half lives > 5 years)
- (b) Describe arrangements made for returning the sources after use for disposal. (A letter from the manufacturer & user should be attached giving their arrangements for returning the sources including responsible parties to transport expenses)
- (c) Certificate issued for the consignment to transport as per International Transport Regulations
- (d) Details on safety features provided to the equipment / machine to optimize radiation safety of personnel. (Both patients & workers for if equipment / machine is for medical use)

* **Licence should have been extended to use the materials to be imported, if the activities and materials are different from the quantities & materials authorized by the licence.**

Date:

.....
Signature of Applicant & the Seal

When applicable, the following documents should be provided.

- * **Copy of Proforma / Commercial invoice**
- * **Package details (issued by the competent authority of the country of origin)**
- * **Copy of Airway Bill / Bill of Lading**
