I have obtained sufficient information and explanations which to the best of my knowledge and belief were necessary for the purpose of the audit. Following are the replies of the Institute on the Audit Report No. CE/G/NILIS/FA/07 dated 31st July, 2008 on the accounts of this Institute.

2.2 Comments on Accounts

2.2.1 Accounting Deficiencies :

The difference of Rs. 9.132 between the Expended Capital Grants and the Capital Grants received under the Project GEP II of the Ministry of Education will be rectified during the year 2008.

2.2.2 Idle Money :

Cash balance arises as income of the programs received from students at the beginning of the programs and the expenditure is spread out throughout the year.

2.2.3 Non-compliance with Laws, Rules and Regulations :

- (a) The fuel consumption of the motor vehicle has been tested and this process will be continued in future.
- (b) Co-ordinators have been appointed for the 12 academic programs conducted by the Institute. These Co-ordinators may be members of the Institute and outsiders to the Institute. They are paid monthly allowance for their services rendered

for the programs. Other Universities too have paid allowances for the services of Co-ordinators. The Director has performed co-ordinating works of academic programs and paid the allowance for co-ordinating works.

(c) This Development Fund has been established according to the decision of the Board of Management.

(d) Vehicle Log book for the vehicle has been started to maintain from 2008 it will be continued.

2.2.4 Transactions not Covered by Adequate Authority :

These two allowances have been paid in accordance with the circular instructions issued by the University Grants Commission. No instruction has been issued by the UGC to discontinue the payments.

3.2 Performance

The Institute was established in 2000 and the secondary objectives 'i' to (v) set out in the audit report have already been achieved. Accordingly, (i.) Establishment of the Institute (ii.) Recruitment of Academic and Non-Academic staff (iii.) Training of the academic staff (iv.) Commencement of certain courses (v.) Improvement of Computer Unit have already been completed successfully. In addition to the above, organization of National and International seminars, publication of periodic journals, representation of Sri Lanka in the National and International Conferences, supporting to the Ministry of Education and Provisional Councils to organize training programs and developing curriculum in the area of school library have been completed during this time period.

(a) There is a problem of not sending enough students by the Ministry of Education and Provisional Councils for the training programs, although there is a plan to train 300-400 Teacher Librarians annually. There is problem of not considering the training requirement of Teacher Librarian in the reparation of Service Minutes of Teacher Librarian by the Ministry of Education. We have informed this situation to the Ministry of Education and the Ministry has taken action to submit Cabinet Paper for it. However, the total number of students trained by the programs conducted by the Ministry of Education with our assistance and Diploma and Post graduate courses will exceed target number of students. Students register for the courses each year do not complete the course in the same year. Most of the programs will commence in the middle of the year and complete during the next year.

(b) The major problems are indicated in the above (a) and will improve this situation in near future.

(c) All the educational institutes have faced common problem of not registering enough students for their courses. Limited publicity on the educational programs, competition among institutions and the situation indicated above (a) under the preview of the Ministry of Education.

3.3 Purchase of Library Books :

(a) Assistant Librarian has taken study leave now and the library will be open after recruiting the required staff.

(b) These books are required for the use of practical activities of the students of the Institute. If these books are issued to the Library the books will not be available for the practical for cataloguing and other works.

3.4 Budgetary Control :

Action will be taken to use the Budget of the Institute as an effective management tool for control purposes.

4. Systems and Control :

Action will be taken to improve the controls over accounting for income, maintenance of Ledger and preparation of Schedules.

2.2.5 Non-compliance with laws, rules, regulations and management decision.

- (a) Universities Act, No. 16 of 1978

Translation of the annual reports 2004 and 2005 of the PGIM from English to Sinhala and Tamil languages had been extremely difficult in view of the medical terms which were mentioned in the English version. In some instances, new words had to be coined in consultation with eminent scholars when translation was done in the two languages. This was unavoidable in view of the new words that were used when new sub-specialities came into existence in the Western world. Consequently, lot of time was consumed for completion of the translation of the Sinhala and Tamil versions. In addition, compilation of the book and obtaining approval etc., also took considerable amount of time these reports had to be finalized and published amidst all other office work. However, AG's instructions are noted for action and every possible efforts would be made to comply with this requirement, in future.

- (b) Financial Regulations - 135

Comments are note PGIM is an institution affiliated to University of Colombo and steps will be taken to revise the Financial authority limits after obtaining revised limits from the Registrar, University of Colombo.

- (d) Pub. Enterprises Cir. No. PED/25 dated 29.07.2004

The PGIM has adopted policy of investing funds in fixed deposits in the state banks when funds are lying in the current accounts but are considered an excessive funds at a given point of time. Interest being accrued from the fixed deposits are used to meet urgent commitments and to avoid requesting additional allocation from the UGC. The PGIM has always sought necessary approval from the General Treasury. The funds which had been so generated had been used to meet financial requirements for activities for which funds had not been indentified in the annual budget. Noted to obtain treasury approval in future to invest in fixed Deposits.

- (e) Pub Enterprises Cir. No. PED/27 dated 27/01/2005

The PGIM consists of four branches of which academic & examination branches are heavily over burdened as 84 examinations were conducted during the year 2006. In addition, meetings of the core groups were also held. The Academic branch was instrumental in holding of monthly meetings of the nineteen Boards of study plus the Board of Management and enrolment

of trainees, holding of Subcommittee meetings for making of decisions pertaining to the polity and for revision of curriculum etc. This institute possesses only limited resource in terms of staff and facilities. It is admitted that the draft report should have been submitted within 60 days. However it was not possible to complete draft annual report within the specified period due to the routing commitments of the staff officers concerned. Auditor General's comments are noted for action and every possible efforts would be made to comply with your instructions, in future.

- 2.2.6 The language proficiency allowance had been paid to PGIM staff in terms of UGC Est. Circular letter No. 10/2001 dated 10.08.2001. The PGIM is compelled to adhere to the instructions contained in the above UGC circular.

It is submitted that in pursuance of the instruction of the Auditor General, the UGC has now instructed that new recruits are not eligible to receive the language proficiency allowance and the PGIM has strictly adhered to those instructions.

- 2.2.7 PGIM conduct 84 postgraduate examinations and 57 Academic postgraduate training programmes in a year. Three drives are in service. Out of these drivers, one driver is assigned to the Director other two drivers are working relating to following examination works.

- * Transport foreign examiners from airport to hotel and hotel to PGIM exam Centre.
- * Distribution of Answer packets to examiners for marking. Further, one post of driver had not been filled yet. All the vehicles are released to examinations work when the examinations are held in Galle/Peradeniya.

Therefore, PGIM staff had to hire private three wheeler to attend following urgent and important work.

- * To get down stores material to PGIM stores and to bring chemicals Glassware, requested for conduct of exams. However, hiring of three wheeler will be done for urgent work with the approval of the Head of the Dept. in future.

3.1.1 Financial Results

Comments are noted.

3.2.1 Performance

PGIM performance has to be judged against needs (Ministry of Health/Universities/Armed forces & private sector) this is done by a joint committee of PGIM & Ministry of Health.

In service specialities only 1 or 2 trainees per year is needed. In others trainees don't pass the selections tests. In yet others, even of trainees pass, the training places are limited. This is beyond the scope of the PGIM to correct.

This therefore is a matter of supply and demand and cannot be a matter that we can give detailed explanations to Audit.

- 3.2.2 (a) The University Provident Fund of the particular employees had not been released. Therefore steps will be taken to recover the outstanding loans amounts from the employees university provident fund balance. This had been noted in the employees personal files.

- (b) Fixed Deposit Register is being up dated now and available for audit inspection.

3.2.3 Budgetary Control

- (a) Financial allocation letter for the year 2006 received from UGC on 21.12.2005 and the programme budget prepared and submitted to the Finance & Management Committee and the Board of Management approval obtained. But there was an administrative delay in Ministry of Higher Education/UGC which is beyond our control.

- (b) Action plan for the year 2006 of the PGIM had been prepared and forwarded to Treasury with copy to Superintendent of Audit, University of Colombo on 22.03.2006. 84(Eighty four) postgraduate examinations were conducted during the year 2006 which were the main function of the PGIM.

4. *Systems and Control :*(a) *Staff Loan*

Staff loans are being paid in terms of UGC circular No. 664 and loan register/other relevant accounting records are available for audit inspection.

(b) *Advances*

More attention will be exercised in regard to payment of advances.

(a), (b) & (c) - Comments are noted.

(d) Regarding the query on the number of Board Certified. Consultants in difference specialities mentioned in the letter less than four. The number of candidates for these examinations were also very low. Anyway this would be sufficient in accordance with the country's requirements and also numbers of raining units available also was limited.

3.2.2 *Management Inefficiencies:*

(a) Service of Part time course Director in Community Medicine had been extended further six months with the approval of the Board of Management at its meeting held on 12th July, 2007 for same terms and conditions. Payments are made out of PGIM Generated Funds.

(b) Medical Journals had been received now from the foreign suppliers for the balance amount of sterling pounds 1201 ordered by the PGIM for the year 2005 and 2006. Relevant records are available for audit inspection.

(c) Cartridge for Cannon photocopies were purchased and kept in the stores for the use of Academic branch and the PGIM Library. These machines were broken and it was revealed that repairing these machines are not practical owing to heavy costs. Instructed Store Keeper do discuss with supplier Metropolitan office (PVT) Ltd. and try to return the items and settle the matter.

3.2.3 *Library Administration :*

Comments are noted. This is the biggest problem faced by the library and it cannot be solved until a spacious location is provided for the library.

3.2.4 *Contract Administration :*

(a) Estimates and BOQ for the colour washing were prepared by the Health Service Labourer who is especially trained on BOQ and therefore qualified to prepare minor works and minor of repairs. Further he has been trained for preparation of

BOQ for minor works by the PGIM at National Housing and Construction Development at ICTAD and National Certificate in Technology at Sri Lanka Technical College, Maradana.

However, Comments are noted and in further certification will be obtained from the Works engineer/OUSL for any civil/maintenance work.

- (b) Due to the 27th Academic Sessions some of the urgent works were done on the recommendation of the organizing committee. Such as painting of auditorium, lecture hall, external walls etc.
- (c) On the recommendations of the organization committee it was decided to approve the colour washing work accordingly. Your comments are noted and in future we will comply with instructions given in the procurement guide lines No. 2.14.1

3.2.5 Corporate Plan & Action Plan :

- (a) Corporate plan of the PGIM from 2007 to 2011 had been finalized now and awaiting for the approval of the Board of Management.
- (b) Comments are noted. PGIM main function is conducting of Academic Programmes and examinations. Copy of the academic programs and examinations conducted by the PGIM for the 2007 had been submitted to you.

However detailed action plan had been prepared and submitted to you for the year 2008.

3.2.6 Uneconomic Transactions :

- (a) Van 30/8322 was handed over for repairs to M/S Associated Motorways Ltd. who was the authorised agent for this vehicle. They have opened up the engine and submitted an estimate. As the estimate was not acceptable they have been asked to refit the engine. This amount had been charged by them for refitting and this was paid out of PGIM Generated Income. Further, this vehicle was not in running condition and PGIM Management has a view to dispose this vehicle. Hence, vehicle revenue license had not been obtained in time.
- (b) Comments are noted. As the number of photocopies are very limited and it was very ineconomical to attend this work by the library Staff. Photocopy service was handed over to a private firm with the approval of the Director. However action will be taken to get the approval from the Board of Management through Finance and Management Committee.

3.2.7 Budgetary Control :

- (a) Financial allocation letter for the year 2007 received from the UGC on 21.12.2006 and the programme budget prepared and submitted to the Finance and Management Committee and the Board of Management approval obtained. But, there was an administrative delay in the Ministry of Higher Education/UGC which was beyond our control.
