#### 2. Financial Statements :

#### 2:1 Opinion:

So far as appears from my examination and to the best of information and according to the explanations given to me, I am of opinion that the University of Jaffna had maintained proper accounting records for the year ended 31st December, 2010 and except for the effects on the financial statements of the matters referred to in paragraph 2.2 of this report, the financial statements have been prepared in accordance with Sri Lanka Accounting Standards and give a true and fair view of the state of affairs of the University of Jaffna as at 31st December, 2010 and the financial results of its operation and cash flows for the year then ended.

#### 2:2 Comments on Financial Statements :

- 2:2:1 Accounting Policies :
  - (a) Although the depreciation on property, plant and equipment should be calculated individually to avoid charging the depreciation on fully depreciated assets in terms of Sri Lanka Accounting Standard No. 18, contrary to this requirement the University had charged the depreciation on total value of the assets. Therefore, the accuracy of the depreciation shown in the accounts amounting to Rs. 81,068,839 could not be considered as disclosing the correct position of each asset.
  - (b) According to the Sri Lanka Accounting standard No. 18 and the University Grants Commission Circular No. 649 of 05th October, 1995 the depreciation should not be computed for the value of land. However, failure to identify the value of land and buildings separately the depreciation at a rate of 5% had been provided on lands too.
  - (c) The statement of changes of equity had not been prepared and presented along with the financial statements in terms of Sri Lanka Accounting Standard No. 03.
  - (d) The book value of the fixed assets, which had become Zero value and continued to be used had not been revalued and shown in the accounts in terms of the Sri Lanka Accounting Standard No. 18.
- 2:2:2 Accounting Deficiencies :

The following accounting deficiencies are observed :

- (*a*) 117 items of journals and periodicals valued to Rs. 2,191,072 had been erroneously included in the books and periodical accounts without being received to the University.
- (*b*) The constructions works completed during the year under review amounting to Rs. 10,288,750 had been shown in the account as work-in-progress instead of being shown under the lands and buildings account.
- (c) Three busses (City Rider) which was donated by the Government of India during the year under review had not been valued and brought to accounts.
- (d) A three wheeler purchased from the Silver-Jubilee Fund for a sum of Rs. 243,100 had not been brought to accounts since 2006.
- (e) Over recovery of bond obligation aggregating Rs. 2,178,090 had been set off against the bond obligation receivable accounts instead of being shown separately in the accounts as payables.
- 2:2:3 Accounts Receivable and Payable :

Following observations are made :

- (a) The unsettled balances in the sundry creditors accouts relating to the period 2007 to 2009 was Rs. 221,675 as at the end of the year under review.
- (b) Supplies advance, displaced staff salary advance, building advance, sundry debtors and staff loan balances aggregating Rs. 157,349,632 had not been recovered for the period ranging from 01 to 23 years. Therefore the recoveries of these balances are doubtful.
- (c) A sum of Rs. 37,455 over paid to an academic staff on account of books allowances in 1997 had not been recovered yet.
- (*d*) According to information made available for audit, a sum of Rs. 117,530,741 was receivable from, 133 lecturers who had breached agreements and bond obligations during the years 2000 to 2010. Nevertheless, appropriate action had not been taken to recover this amount from the respective lecturers up to 30th June, 2011.
- 2:2:4 Lack of Evidence for Audit :

Assets, payables, receivables and depreciations shown in the accounts aggregating Rs. 1,750,016,314 could not be satisfactorily vouched in audit due to non availability of verification reports, confirmations, age analysis, details schedules etc.

2:2:5 Non-compliance with Laws, Rules, Regulations and Management Decisions :

In addition a sum of Rs. 13,000,000 had been paid to the Dept. of Buildings during the years 2005 and 2006 for the Interior decoration works, which was not yet commenced.

At the progress review meeting held at the University Grants Commission on 29th July, 2010 regarding this matter, the Hon. Minister of Higher Education had expressed serious concern on the slow progress of the implementation of the above project and advised the University to take steps to expedite this and report to him on the outcome. Even thereafter this work had not yet been completed. At the physical inspection carried out on 14th March, 2011, revealed that the ceiling, electrical, air-conditioning and seating works had not yet been commenced. As a result, students of the Faculty of Medicine could not obtain any benefit from this facility for over ten years although a sum of Rs. 20 Million had been spent by the University.

- (c) Although a sum of Rs. 2,000,000 had been paid to the Department of Buildings as an advance for the construction of over head tank for students hostel at Thirunelvely during 1989, the works to the value of Rs. 1,590,000 only had been completed. As a result students are being affected.
- (d) A sum of Rs. 1,485,208 had been paid to a company in Colombo and another sum of Rs. 10,171,618 had been paid from SIDA IT Networking Project to the same company for implementation of Local Area Network/Widest Area Network (LAN/WAN) Project in the University. No progress report relating to the above project had been made available for audit. This project was commenced in early part of the year 2005 but it was not completed even up to 30th June, 2011. As a result the objective of the project had not been achieved as expected.
- (e) Three advances amounting to Rs. 3,200,000, Rs. 3,014,000 and Rs. 5,615,000 had been released on 31st December, 2004, 16th November, 2005 and 04th October, 2007 respectively to the Chief Engineer, Department of Buildings, of the then North East Provincial Council for the construction of overhead tank and sump for Vavuniya Campus at Pambaimadu.

The Construction of sump work had been completed. However, the overhead tank and balance works had not been completed. In the meantime, the contract was terminated by the Department of Buildings. A sum of Rs. 2,439,956 had already been paid to

the Contractor up to the termination. A fresh Agreement to the value of Rs. 5,615,000 with another contractor had been signed on 10th November, 2006 for balance works. But the works had not been completed up to 30th June, 2011.
