The Vice Chancellor,  
University of Colombo.

**Report of the Auditor General on the Financial Statements of the University of Colombo for the Year ended 31st December, 2011 in Terms of Section 108 of the Universities Act, No. 16 of 1978 and Section 13(7)(a) of the Finance Act, No. 38 of 1971**

THE audit of financial statements of the University of Colombo for the year ended 2011 comprising the balance sheet as at 31st December, 2011 and the income statement, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 13 (1) of the Finance Act, No. 38 of 1971 and Section 108 (2) of the Universities Act, No.16 of 1978. My comments and observations which I consider should be published with the annual report of the University of Colombo in terms of Section 13 (7) (a) of the Finance Act appear in this report.

**1:2 Management's Responsibility for the Financial Statements :**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud or error.

**1:3 Auditor's Responsibility:**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Sub-sections (3 and 4) of Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and the extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

**1:4 Basis for Qualified Opinion:**

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

**2. Financial Statements :**

**2:1 Opinion :**

In my opinion, except for the effects of the matters described in paragraph 2:2 of this report, the financial statements give a true and fair view of the financial position of the University of Colombo as at 31st December, 2011 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

**2:2 Comments on Financial Statements**

**2:2:1 Sri Lanka Accounting Standards :**

According to the Sri Lanka Accounting Standard No. 29, while accounting the income and expenditure of courses pertaining to many years, the comparative income of each year should be identified and accounted for. However, the sum of Rs. 275,349,750 equivalent to the expenditure on courses had been accounted as its income.

2:2:2 *Accounting Deficiencies:*

The following observations are made:-

- (a) The financial statements of the University of Colombo for the year under review had been presented on 28th February, 2012. Of these, accounting deficiencies amounting to Rs. 329,865,338 had been rectified and revised financial statements had been presented on 07th August, 2012.
