SRI LANKA INSTITUTE OF TAXATION

Independent Auditor's Report to the Members of Sri Lanka Institute of Taxation

1. Report on the Financial Statements :

We have audited the accompanying Financial Statements Sri Lanka Institute of Taxation, which comprise the Statement of financial Position as at 31st March, 2015 and the statement of comprehensive income and statement of cash flow for the year then ended, and a summary of significant accounting policies and other explanatory notes.

2. Council's Responsibility for the Financial Statements :

The Council is responsible for the preparation of these financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards applicable for SME's and for such internal control as Council determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

3. Auditor's Responsibility :

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Sri Lanka Auditing Standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Board, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. Opinion :

In our opinion, the financial statements give a true and fair view of the financial position of the Institute as at 31st March, 2015 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standards for SME's.

B. R. DE SILVA AND CO.,
Chartered Accountants.
