Opinion

We have audited the financial statements of S W R D Bandaranaike National Memorial Foundation ("the Foundation"), which comprise the statement of financial position as at 31st December 2021, and the statement of income and expenditure, statement of changes in funds, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Foundation as at 31st December, 2021, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-sized Entities (SLFRS for SMEs).

Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Foundation in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Board of Management is responsible for the preparation of financial statements that give a true and fair view in accordance with SLFRS for SMEs, and for such internal control as Board of Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Board of Management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at Sri Lanka Accounting and Auditing Standards website at: <http://slaasc.com/auditing/auditorsresponsibility.php>. This description forms part of our auditor's report.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of

which form the basis of making the judgment about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. (j) Liabilities and provisions

Liabilities are recognized in the statement of financial position when there is a present obligation as a result of past events, the settlement of which is expected to result in an outflow of resources embodying economic benefits. Obligations payable at the demand of the creditors or within one year of the reporting date are treated as current liabilities in the statement of financial position. Liabilities payable after one year from the reporting date are treated as non - current liabilities in the statement of financial position.

A provision is recognized if, as a result of a past event, the Foundation has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

(k) Specifics funds

Where funds are received for use in an identified activity, such funds are held in a specific fund account and transferred to the Statement of income and expenditure to match with expenses incurred in respect of that identified activity. Unutilized funds are held in their respective fund accounts and included in the Statement of financial position until such time as they are required.

(l) Taxation **Income taxation**

The Foundation is exempt from income tax under the Inland Revenue act, No. 24 of 2017.

(m) Employee benefits

i. Defined benefit plan

The Foundation's obligation in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is measured annually using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future benefit that employee have earned in return for their services in the current and prior period.

Gains and losses arising from changes in the assumptions, current service cost and interest are recognized in the statement of income and expenditure in the period in which they arise.

Provision is made for retirement gratuity for all employees in respect of gratuity payable under the Payment of Gratuity Act No.12 of 1983. The provision is not invested in a fund outside the Foundation. The provision

is not externally funded, nor has it been valued by an actuary. This item is grouped under noncurrent liabilities in the statement of financial position.

ii. Defined contribution plan.

Obligations to defined contribution plans are recognized as an expense in the income statement as incurred. The Foundation contributes 12% and 3% of gross emoluments of employees as Provident Fund and Trust Fund contribution respectively.

(n) Revenue

Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Foundation and the revenue and associated cost incurred or to be incurred can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, net of trade discounts and turnover taxes.

(o) Expenses

All expenditure incurred in the operations of the Foundation and in maintaining the capital assets in a state of efficiency have been charged in arriving at the Foundation's surplus for the year.

(p) Finance expense

Finance expenses comprise interest expense on borrowings, bank charges and debit tax. All borrowing cost are recognised in statement of income and expenditure.

(q) Comparative information

Where necessary, comparative figures have been rearranged to confirm with the current year's presentation.

(r) Events occurring after the reporting date

All material post reporting events have been considered and where appropriate adjustments or disclosures have been made in respective notes to the financial statements.

(s) Commitments and contingencies

Contingencies are possible assets or obligations that arise from a past event and would be confirmed only on the occurrence or non - occurrence of uncertain future events, which are beyond the Foundation's control.

Commitments and contingent liabilities are disclosed in Note 21 to the financial statements.
